HOTELS.

Hotels are our speciality here at Top Brass, from a completely new fit-out to a refurbishment or refresh, our team is trained to carry out the full process to the upmost quality and efficiency.

Even if it's something you've never seen before, our team loves a new innovative project. We have printed a hotel's logo onto its velvet curtains, messages on bed scarves for those special occasions, created eye-catching table stands for a national hotel chain, and have generated many new and innovative creations for the hospitality sector.

RE-UPHOLSTERY SERVICE.

Not only do we create new we also offer an onsite re-upholstery service to revitalise those tired sofas or repair those damaged chairs - providing a quicker, more convenient and environmentally friendly option to buying new, and preserving the look and feel of your hotel, without requiring extreme change, cost or down time on areas or lost covers.

DESIGN.

Image is everything and your guests deserve the best. One of our dedicated Sales Managers will visit your hotel and provide advice on space, design, products and services. Taking in your vision and feeding it back to our team of in-house designers.

IN-HOUSE.

With UK- based factories and a small devoted team of professional designers and craftsmen working in house, there are no middle men here at Top Brass. This means cost effectiveness, shorter lead times, and easy communication during the process, through a single devoted point of contact.

MANUFACTURE.

Once the designs are complete, your Project Manager will delegate the work to our UK-based factories, keeping to a precise time scale and keeping you updated as the work progresses.

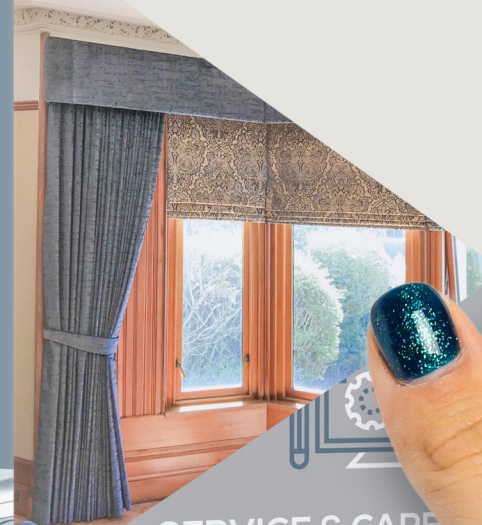

INSTALLATION.

Over 40 years of servicing the hotel industry has not gone unnoticed. As a trusted industry solution for any hotel in need of some fresh style, we are bursting with creativity and the know how to bring any space to life. Whether that means altering the image and feel of a space with a single product, creating a bespoke eye-catching feature, or furnishing the premises from top to bottom.

ABOUT US.

Our aim is to aid you and your team to maintain and improve your hotel, and in keeping with this philosophy there will be no need to close your hotel during any installation of new rooms or products. We can work on selected rooms at a time while the hotel is still running, ensuring that no guests are disturbed in the process. We all know revenue is the life blood of any business, so we work with and along side your teams to make sure the impact of any improvements is minimal.

SERVICE & CARE

Our products are made to order and designed with durability and longevity in mind. To ensure you are satisfied with your product and that we are there for you in the event of future damages or the necessity of replacement items, your trusted point of contact will stay in touch and keep you up-to-date with all the latest new
